3. Physical limitations/disabilities (ex: use of prosthetic devices and physical injuries):

What to wear: Masks are required upon arrival. We will have face to face introductions and demonstrations in the beginning of your Llama Adventure. Once we walk our llamas out on the trails your mask or face covering is still encouraged. We will strive to stay at a safe social distance from each other. Hand sanitizer is provided – please use it. We will be in the woods, I suggest wearing long pants, socks and closed toe shoes all year round. Dress in layers for your comfort depending on the weather.

What to bring: In warmer weather the woods can be buggy. There may be ticks, chiggers or other biting insects. Bring bug spray, a water bottle, camera, or binoculars if you wish.

What not to bring: Alcoholic beverages, guns or weapons are not allowed on our hikes. Sorry no pets either.
